## EWB-Asia Network

### EWB-Asia Network : 1st EWB-Asia Forum: Towards Our Future Cities, 6 February 2022

Change-makers from different EWB chapters in Asia gathered together to express our missions and visions for UNSDG Goal 11 & 13 towards our future cities.

Both the Intergovernmental Panel on Climate Change (IPCC) and COP26 have identified humanity's pressing role in tackling climate change for sustainable cities. Our future depends on our collective action and boundaries will have to be broken. Throughout the discussion during this EWB-Asia forum, we hoped everyone will keep an open
